COMMENTS ON EXAMINER INTERVIEW SUMMARY AND
EXAMINER'S AMENDMENT

Sir:

In response to the Examiner's amendment dated May 30, 2006 and mailed June 19, 2006 and the interview summary provided therewith, Applicant's representative provides the following comments.

With regard to the Interview Summary that was attached to the Notice of Allowability which indicates that an in-person interview took place on May 8, 2006, Applicant's representative notes that this date is an error and that the in-person interview which is discussed in the Examiner's interview summary actually occurred on April 20, 2006. Applicant's representative felt that the error in the date of the in-

person interview should be clarified for the record. In support of Applicant's position that the interview occurred on April 20, 2006, set forth below is a copy of an E-mail submitting to the Examiner an Interview Discussion Outline that indicates that the in-person interview was to occur on April 20, 2006.

SEP 28 2006

A copy of the Interview Discussion Outline that was submitted with the E-mail has already been made of record as an attachment to Applicant's May 25, 2006 Response and Interview Summary.

Applicant's representative has been unable to find any copy of an Examiner interview summary from the April 20, 2006 interview. While Applicant's representative does not know the reason for the error in the date on the Interview summary generated by the Examiner, it may be that the date was simply miss-entered. Since Applicant's representative can not find a copy of the Interview Summary he can not determine whether he was provided a copy at the end of the interview but, in any event, the May 8 2006 in-person interview date should have been April 20, 2006.

Applicant's representative notes that the reply to the Office Action which was filed on May 25, 2006 included an Interview Summary that discussed the April 20, 2006 in-person interview discussed in the Examiner's Interview Summary attached to the Notice of Allowance (but which incorrectly indicated therein that the in-person interview occurred on May 8, 2006). Accordingly, it is respectfully submitted that Applicant included the substance of the Interview discussed in the Examiner's Interview Summary attached to the Notice of Allowance in a timely manner, i.e., with the response to the Office Action that was outstanding.

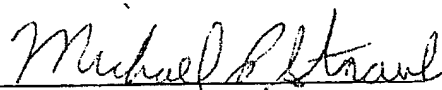

With regard to the Examiner's amendment, Applicant's representative summarized in Applicant's May 25, 2006 response Applicant's expectation as to what claim amendments would be made by the Examiner. While the wording of the amendments entered by the Examiner differ somewhat from the wording Applicant's representative was expecting, Applicant has decided not to seek revision of the Examiner's amendment and intends to allow the Application to issue with the claims as amended by way of the Examiner's amendment.

SEP 28 2006

The Examiner is invited to contact Applicant's undersigned representative by phone if there are any issues which need to be addressed with regard to this application. To the extent necessary, a petition for extension of time under 37 C.F.R. 1.136 is hereby made, the fee for which should be charged to Patent Office deposit account number 50-1049.

Respectfully submitted,
